Bordeaux and Burgundy Reserves

Over the last few years the Institute of Directors has been investing in wines 'En Primeur' from Bordeaux and Burgundy that we would then be able to introduce to our wine list when they are at their prime. The wines below are some of those that we have in our reserves which we will be introducing to the wine list in due course. Above each section is a suggested date that we will be looking to list these wines onto the wine list, and we hope that you will look forward to enjoying them.
